it's **not** about how bad you **want** it ...
it's about how you're willing to **HARD WORK** for it

honesty is the key

WHAT ARE YOUR GOALS?

If you're doing something that's not working for you, **STOP** doing it.

If you're doing something that's working for you, **KEEP** doing it.

If there's something you think might work for you if you did it, **START** doing it and see what happens.
